

## Respective Share of PDVSA Oil Extraction Rights

- Colombia could strike a deal with Maduro or attempt a coup with his Generals
- Russia provides distinct opportunities for deal-making. Russia has a win-set with all, except for the EU
- No deal will satisfy the EU and Russia jointly
- United States could potentially strike a deal with Colombia, generals, Russia Canada, EU, and Brazil, would exclude China, Cuba, Maduro, and Iran

BASELINE Tactic 1- coup between US/Canada/Colombia/Guaido/Brazil

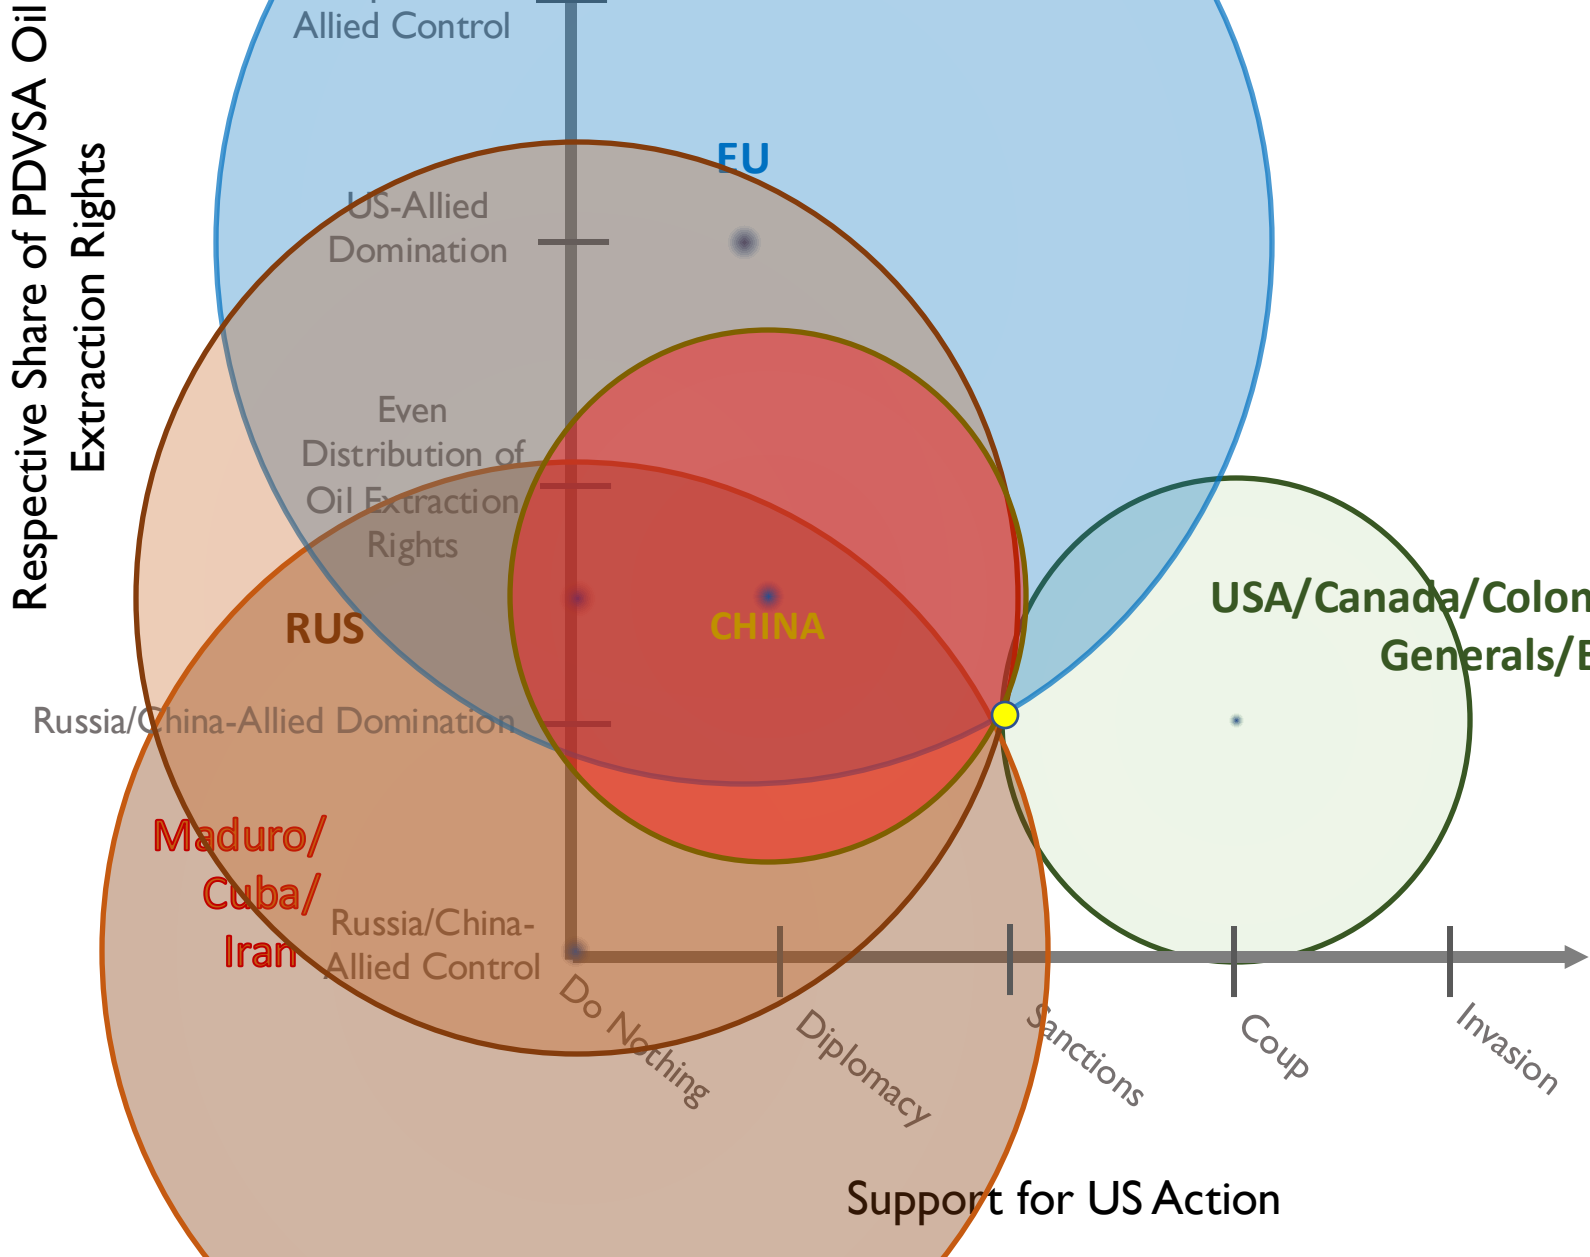

-Colombia could strike a deal with Maduro or attempt a coup with his Generals

-Russia provides distinct opportunities for deal-making. Russia has a win-set with all, except for the EU

-No deal will satisfy the EU and Russia jointly

-United States could potentially strike a deal with Colombia, generals, Russia Canada, EU, and Brazil, would exclude China, Cuba, Maduro, and Iran

BASELINE Tactic 2- coup with the generals

-Colombia could strike a deal with Maduro or attempt a coup with his Generals

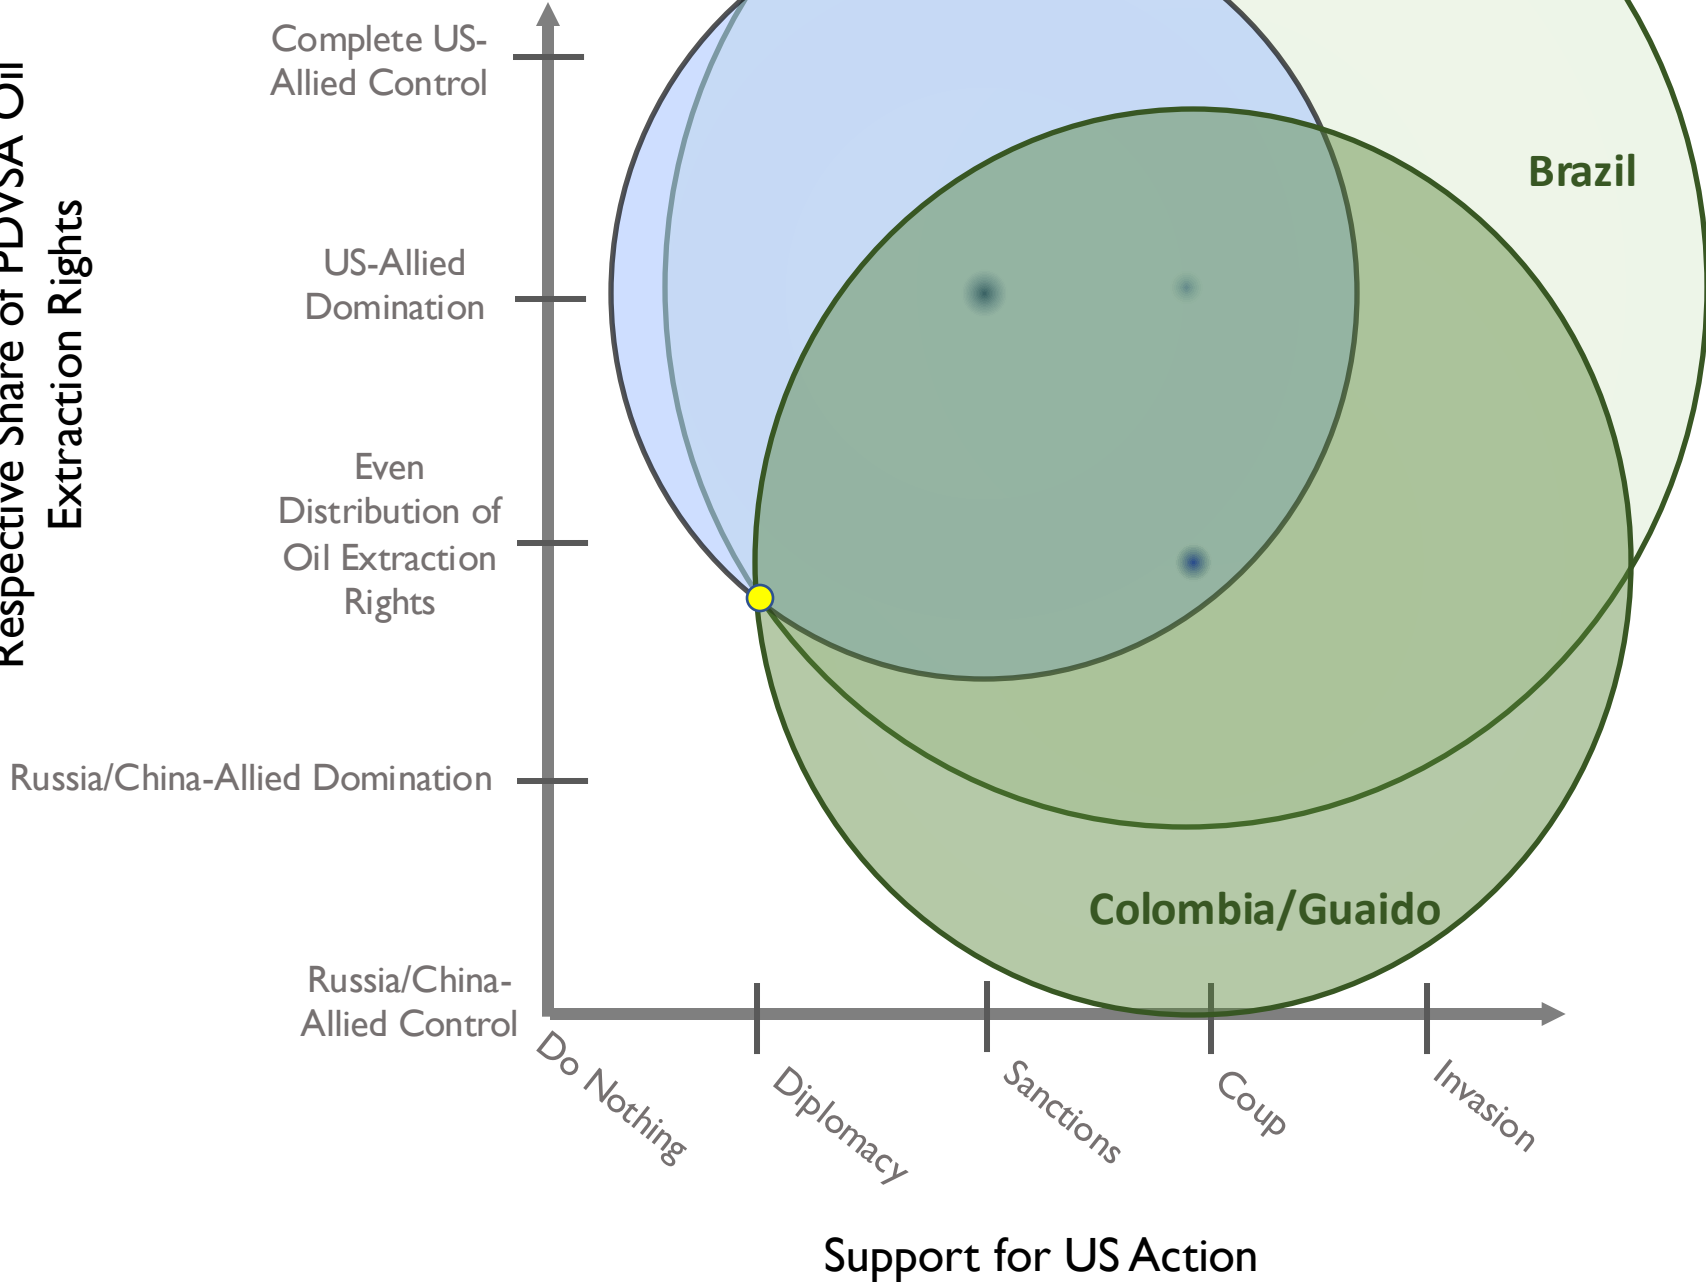

-Russia provides distinct opportunities for deal-making. Russia has a win-set with all, except for the EU

-No deal will satisfy the EU and Russia jointly

-United States could potentially strike a deal with Colombia, generals, Russia Canada, EU, and Brazil, would exclude China, Cuba, Maduro, and Iran

Extraction Rights

## Coronageddon Spatial Bargaining coup OPERATION BETANCOURT

-Coronageddon HARD Action

-US Pursues a Coup with aid of Colombia, Brazil, and Maduro's Generals

-Guaido is instated afterwards

-PDVSA Trade favorable to US Allies

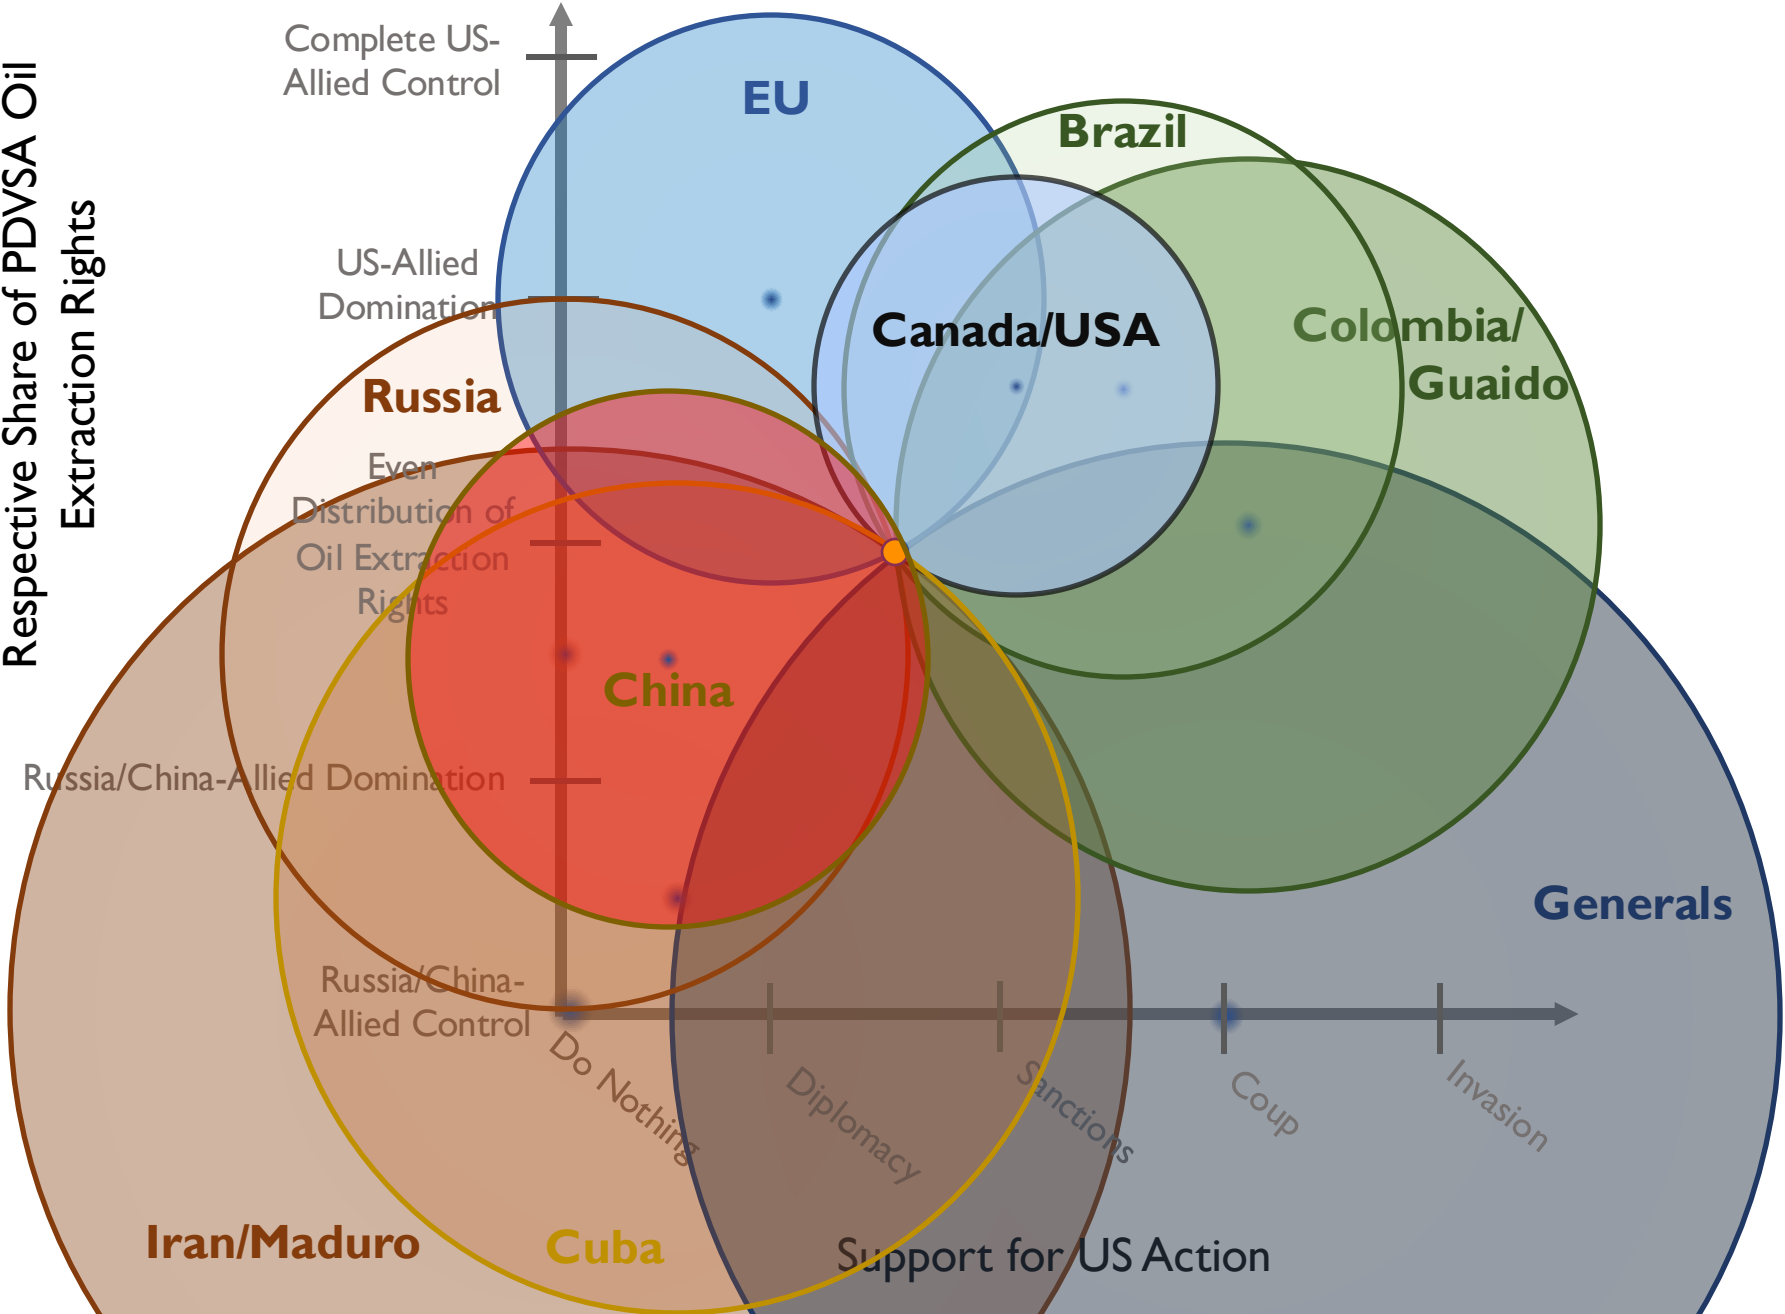

-US Non-allies and EU feel slighted, may push the EU into Chinese/Russian camps.

-Less satisfactory compared to Coronageddon diplomatic Action if Trump is a POWER TRANSITION THEORIST, if Trump is a REALIST, he prefers this option.

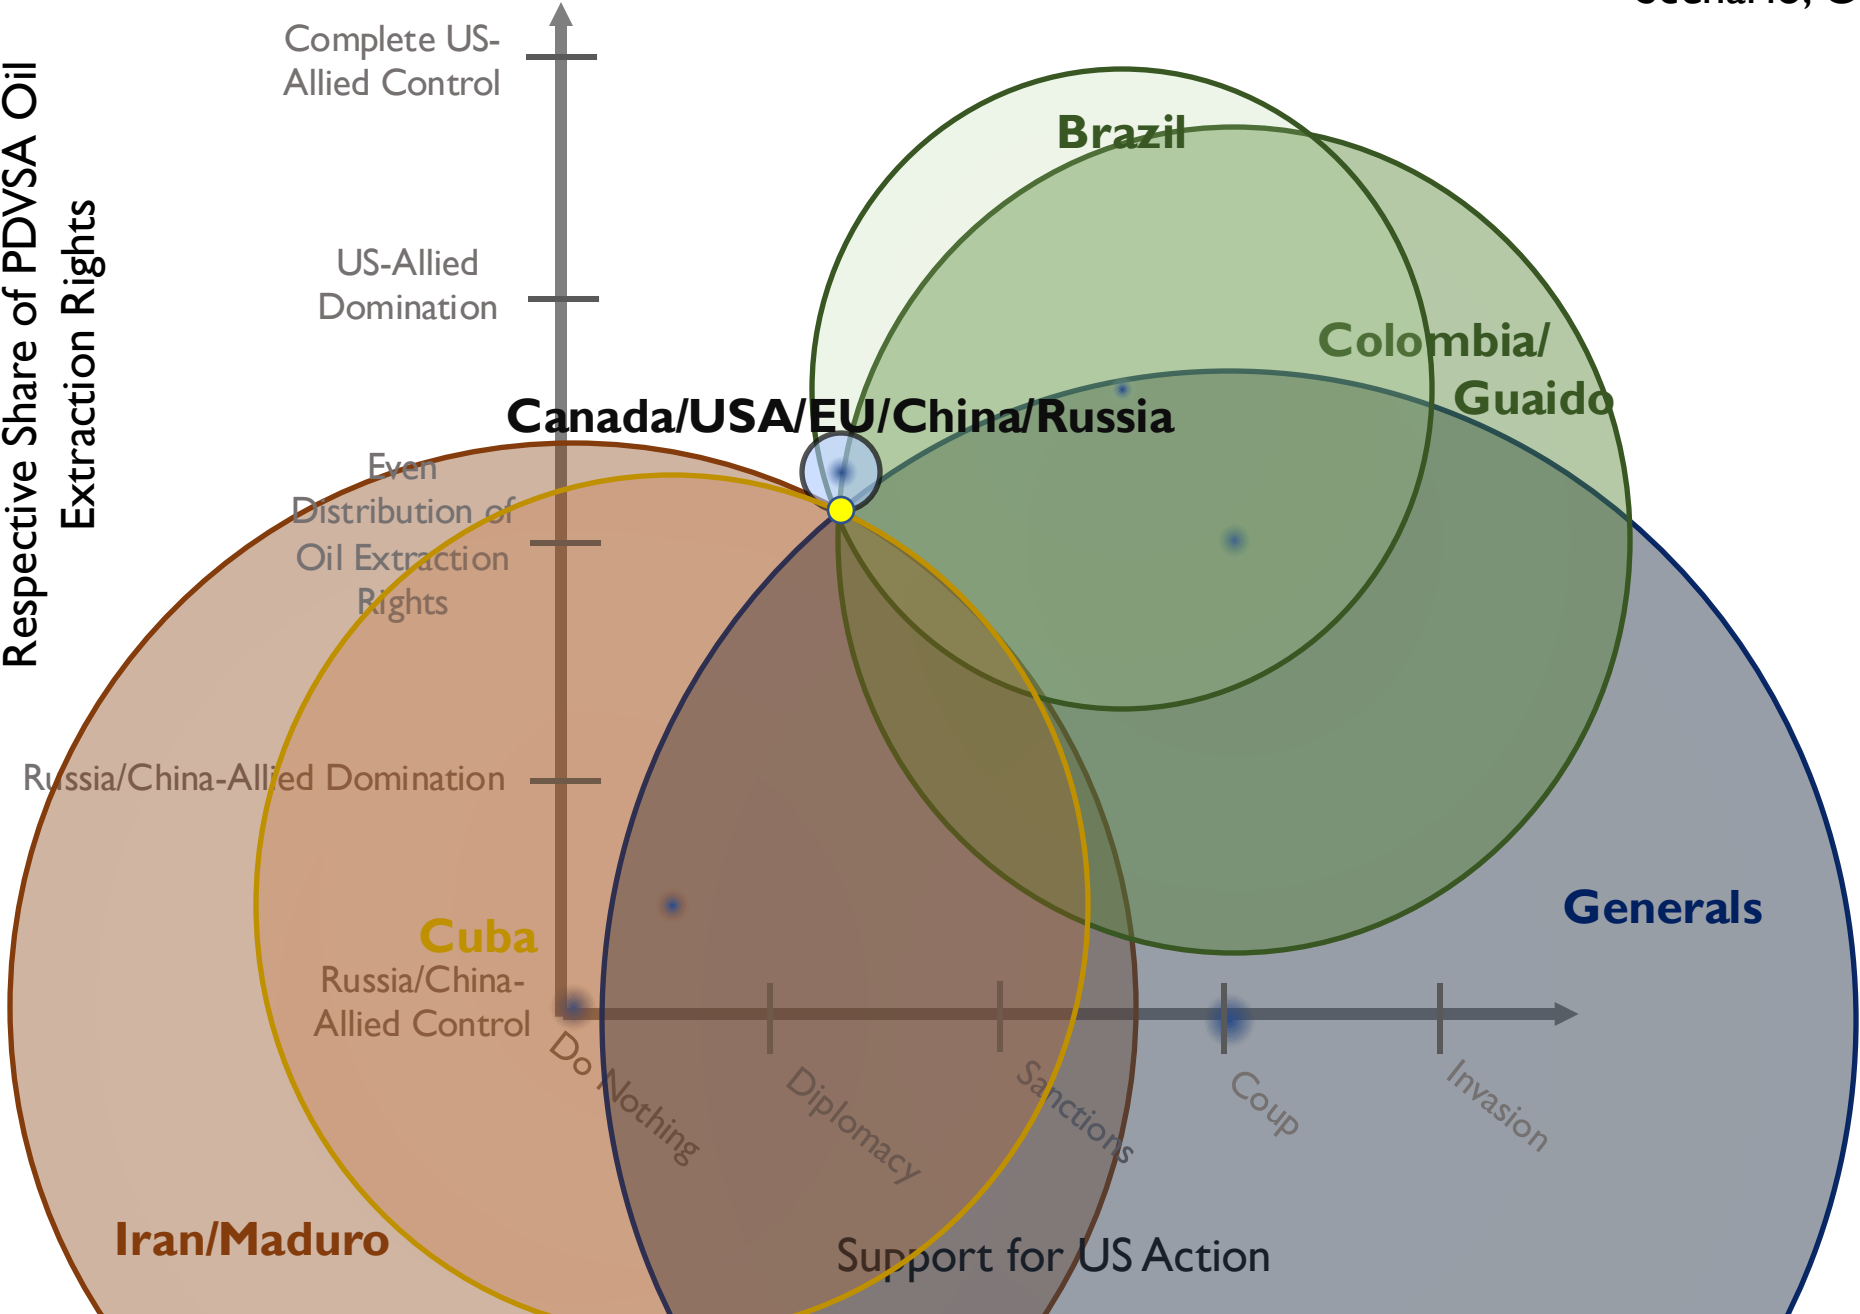

Corona Geddon iterative game 2

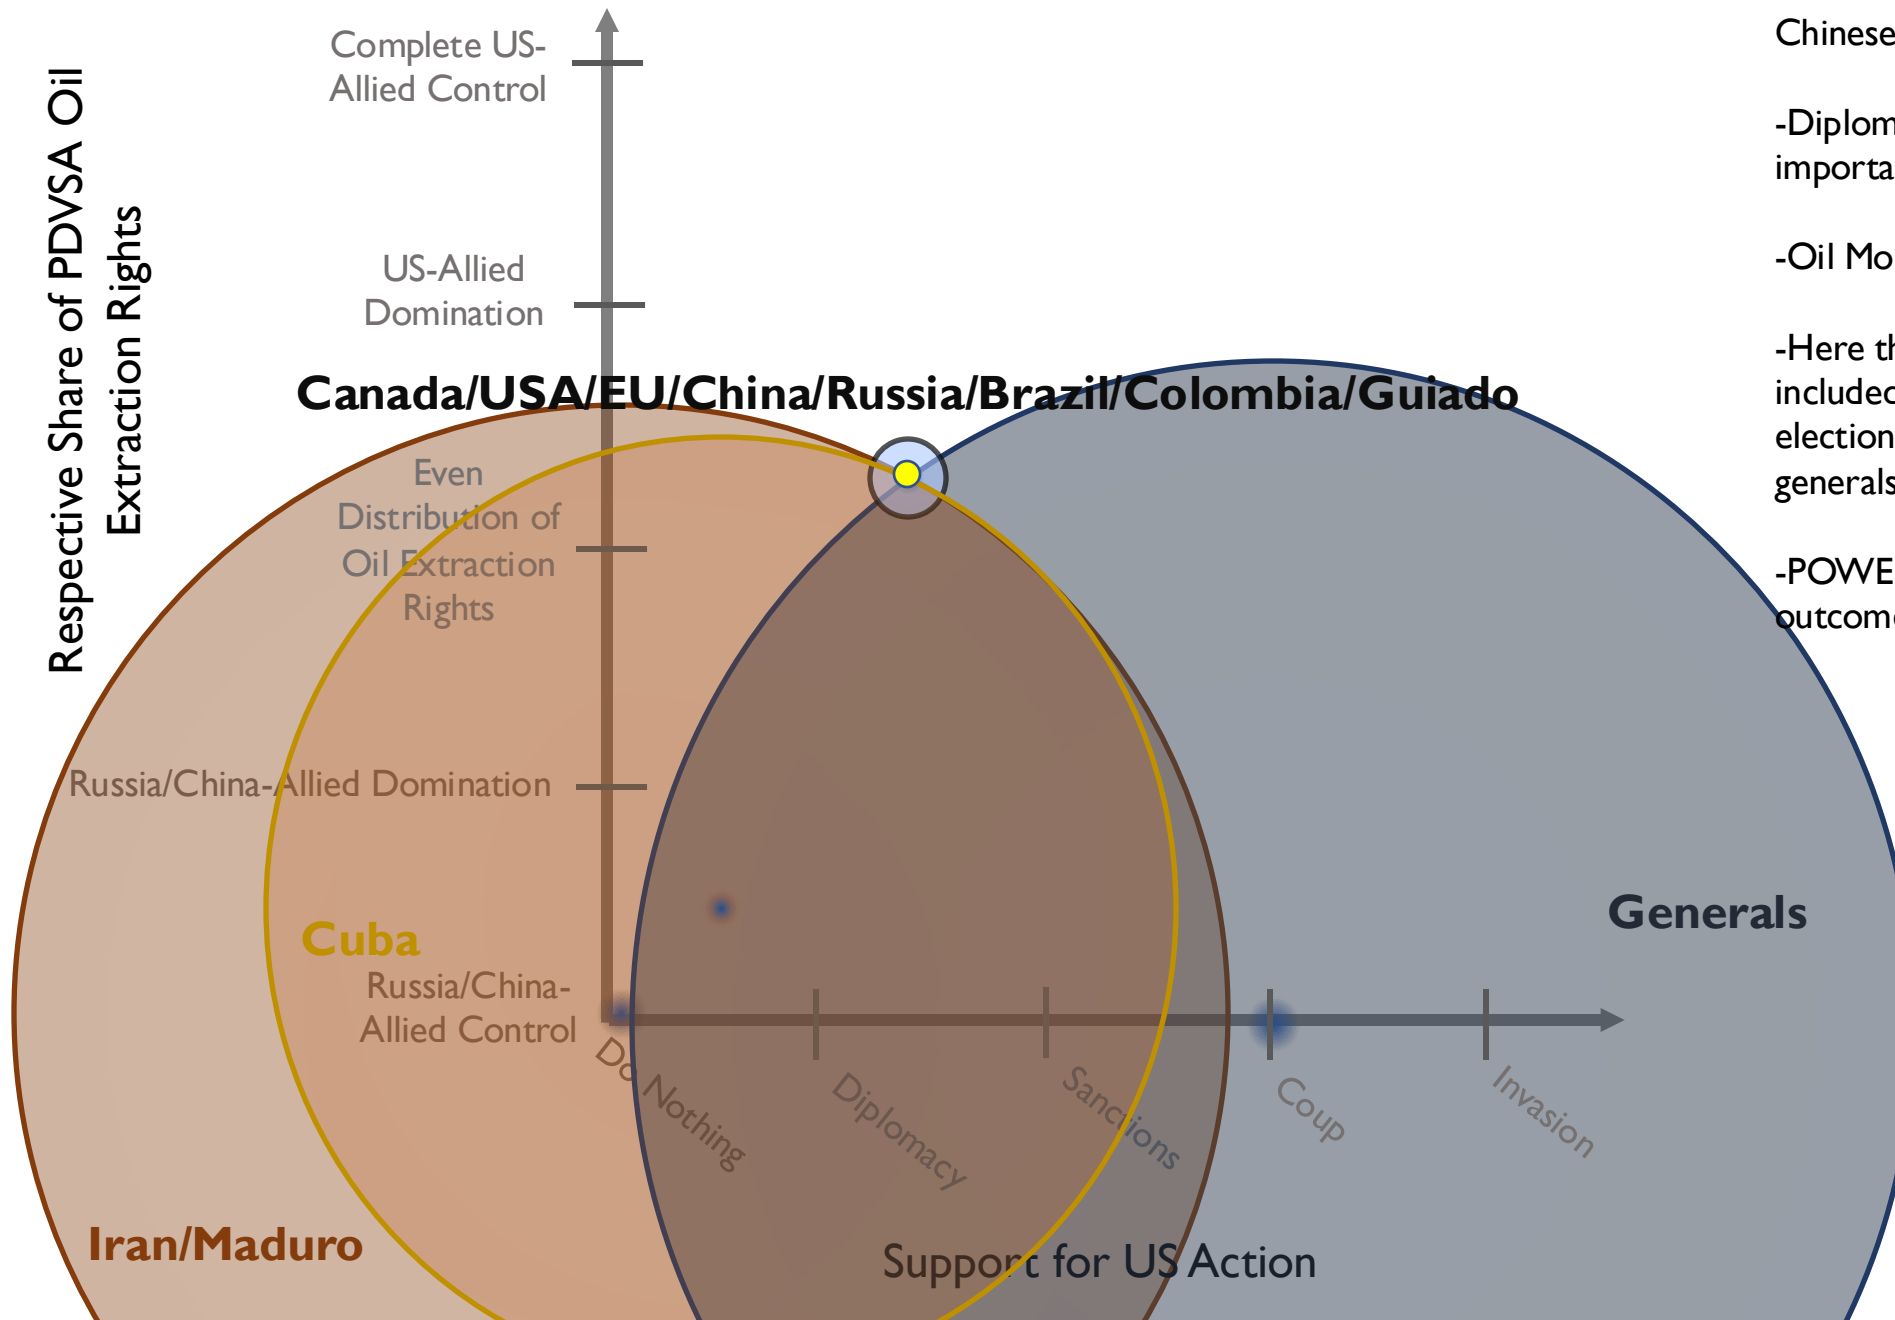

SOFT OPTION < *OPERATION Power Transition*

Respective Share of PDVSA Oil  
Extraction Rights

Respective Share of PDVSA Oil  
Extraction Rights

Scenario; Coronageddon

This is the POWER TRANSITION-seeking Chinese Satisfaction “soft action”

-Diplomacy is pursued, and many many important stakeholders are Gucci.

-Oil More or less favorable to US Allies

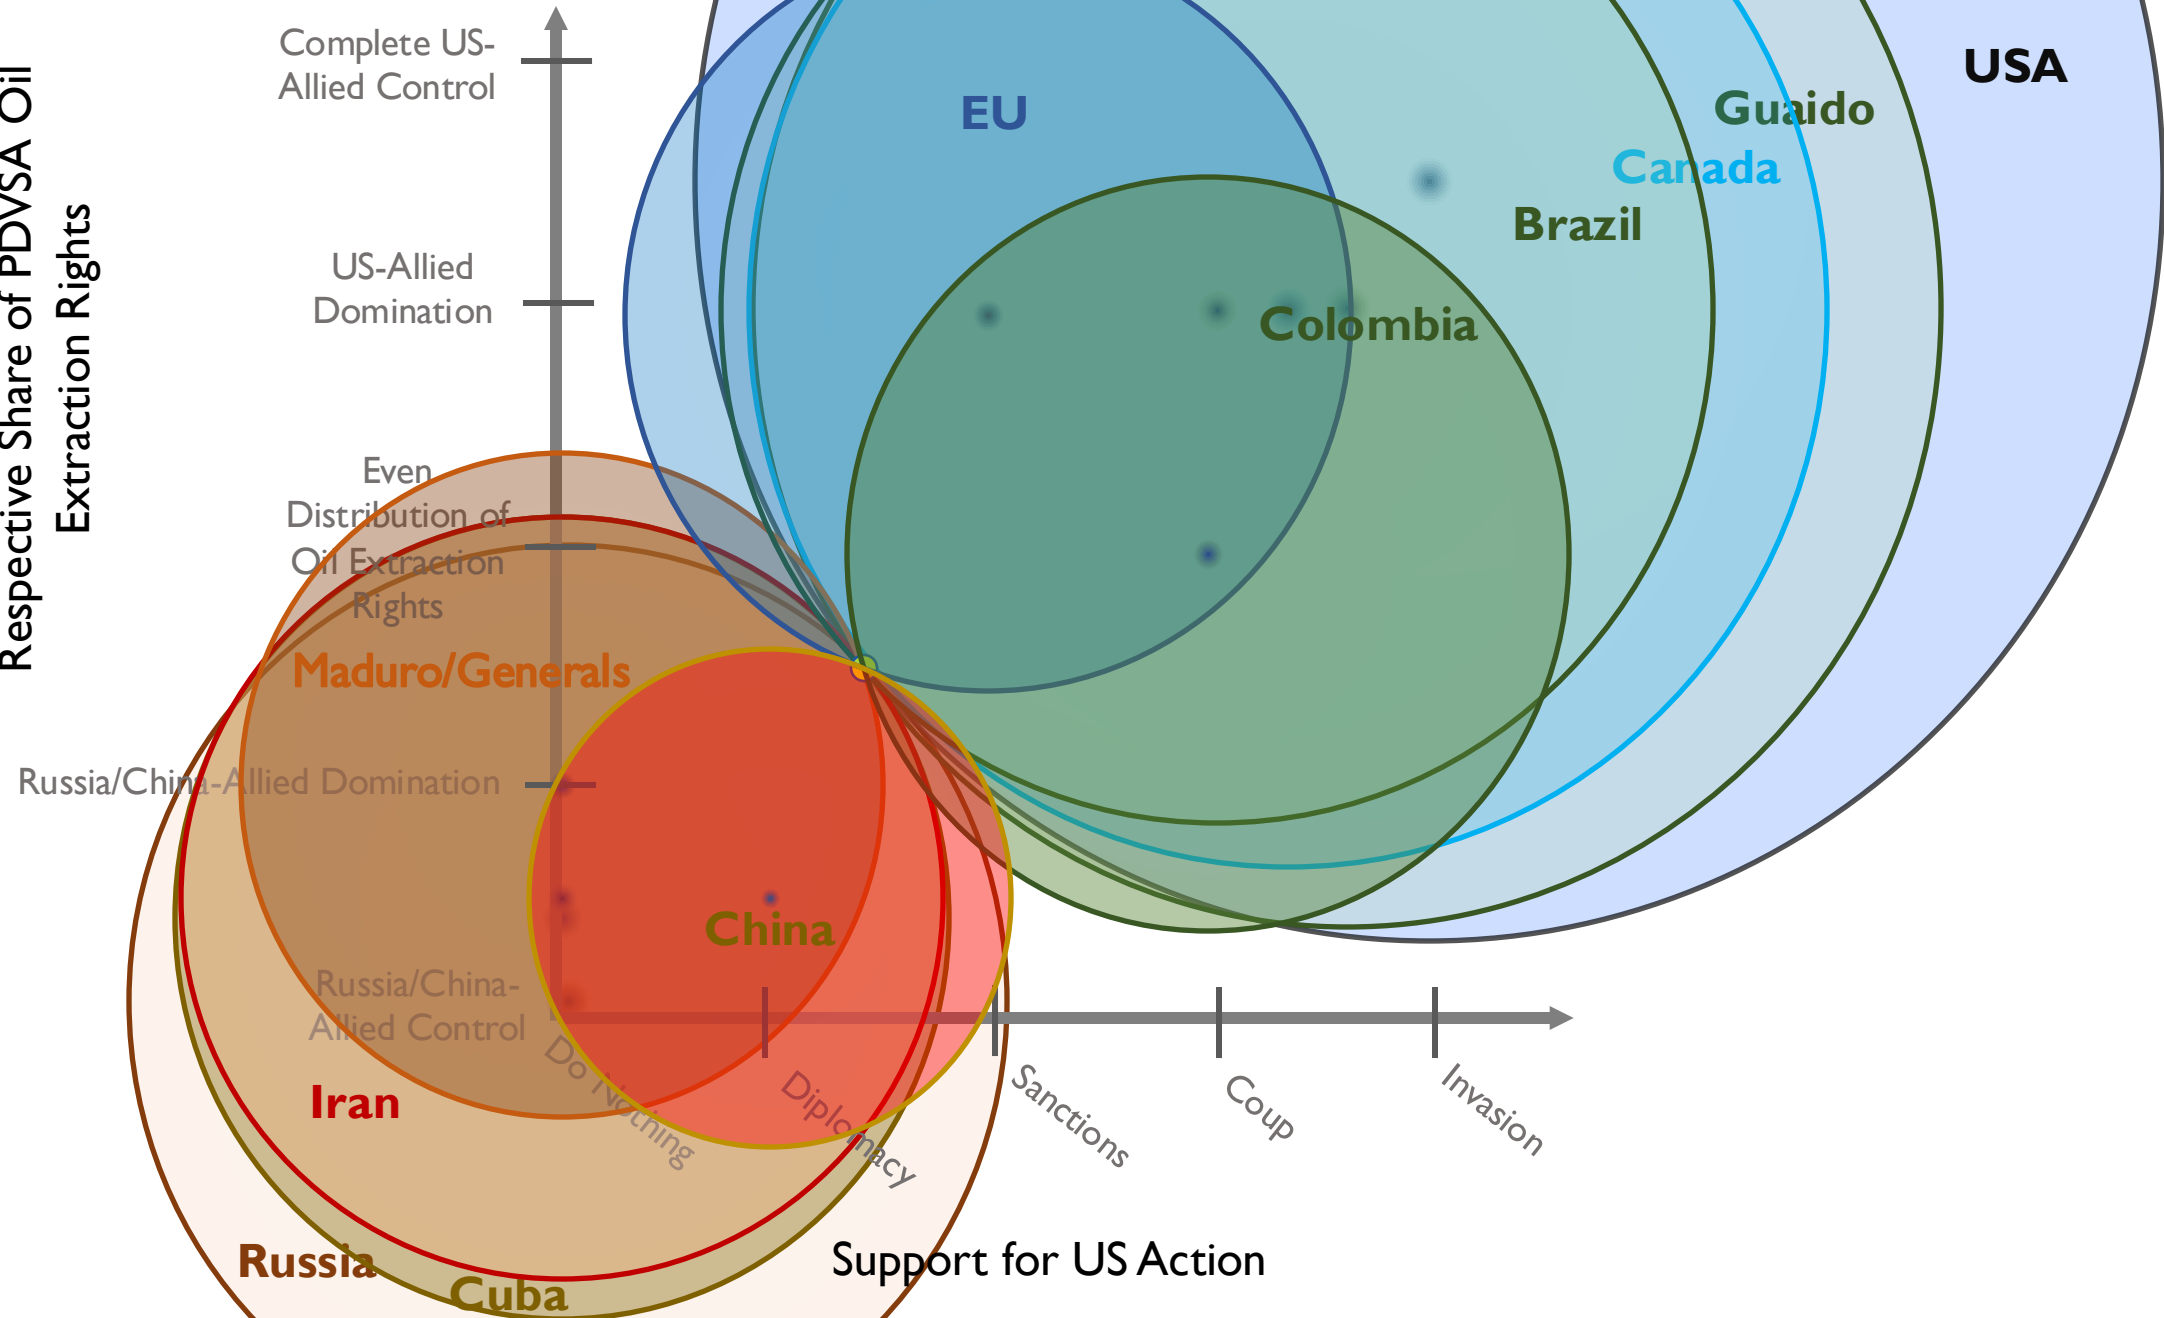

-Here the Major Powers, China and Russia included, force Maduro to hold free and fair elections. All are satisfied save Iran, Maduro, his generals, and Cuba.

-POWER TRANSITION theorists prefer this outcome
